About Me

I am a first-generation Mexican American woman driven to help others in my community by mastering my strengths, reaching my full potential, and becoming a dentist with integrity.

WORK EXPERIENCE

2024- Current **SAC Health Medical Clinic**
San Bernardino, CA

- As a block rotation, I offer dental services at SAC Health- Brier Campus, an FQHC

2012-2019 **Special Education Instructional Assistant 2**
Riverside Unified School District | Riverside, CA

- I helped severely handicapped children with their academic learning, and life skills training. I assisted with daily needs such as changing diapers, administering medications, and feeding by G-tube. I am trained in crisis situations. Overall, I helped the children reach their individual goals, while building a bond with them.

2020-2022 **Independent Contractor**
Multiple counties in Southern CA.

- I worked for multiple companies and was involved in customer service, advertising, promoting, and selling at events to maintain the goodwill and reputation of the brand.

VOLUNTEER

2024 **Glendale Health Festival**

- I gave free dental care to the community, which included cleanings, fillings, and extractions.

2021- Current **LLUSD**

- I assist high school students who visit our campus and want to learn about the dental program and experience the lab environment. I give tours to people interested in LLUSD. After school I help dental school students in the lab with their assignments. During school, I help first year dental students in wax lab and stab lab by giving them tips and advice on their projects and techniques. I also graded student work.

2021- Current **Loma Linda University Chapel**

- I volunteer at the Loma Linda University Chapel. I clean after the chapel. I usher during chapel. I also take attendance.

2017- 2019 **Tutor**

- tutor kindergarten through 8th grade students in all subjects.

2010-2018 **Santa Ana River Clean Up/ Keep Riverside Clean and Beautiful**

- Occasionally, I help clean up around the Santa Ana River, on preserved land, under bridges, and in city lots and parks in Riverside County. I have also helped plant trees.
